

International Physics & Culture O L Y M P I A D

Federal Institute of Paraná
Curitiba, Brazil

Dear School Principal

Ref.: **INVITATION TO PARTICIPATE IN THE**

8TH INTERNATIONAL OLYMPIAD OF PHYSICS AND CULTURE

The Federal Institute of Paraná - Campus Curitiba hereby invites your school to take part in the 8th INTERNATIONAL PHYSICS AND CULTURE OLYMPICS (8th IPhCO) to be held in NOVEMBER 2025.

IPhCO is an Olympiad open to all public and private schools. The Olympics offer physics challenges for middle and high school students.

The competition seeks to offer students the opportunity to go on a journey where they can have fun while acquiring new knowledge. It's a chance to learn and compete at the same time.

Students should be encouraged to embrace the challenge alone, but they can also work together.

Please, see an example of a typical IPhCO question at: <https://www.iphco.org/open-portal>

To gain access, simply enter the password: **2025portal**

Awards - Postcards Collections and Stamps: <https://www.iphco.org/iphcocollections>

Testimonials: <https://www.iphco.org/testimonials>

A teacher (preferably physics or mathematics) needs to sign up to represent the school and coordinate student activities. There is no cost to schools. The participation is free of charge. See more details in the IPhCO REGULATIONS.

The 8th edition of IPhCO will begin on November 12, 2025 and schools can register until November 10 at: <https://www.iphco.org/registration>

Principals, teachers and students will receive a certificate of participation. For more information or questions, please contact us by email: iphco@ifpr.edu.br.

Yours sincerely

Prof. Jânia Duha

PhCO Coordination

International Physics and Culture Olympiad
